**Standard Statement:** Primary and secondary sources are used to examine events from multiple perspectives and to present and defend a position.

**Dimensions of Inquiry incorporated into this standard (Hint: there are 4):**

**2 Cross Curricular Connections (Include the standard codes and standard statements):**

**Assessment for 7th grade:** Print and attach or provide the URL to an assessment that students might have completed in 7th grade if students were discussing the application of Hammurabi’s Code to the criminal justice system in Babylonia.

**Instructional Strategies for HS:** Print and attach or provide the citation for an article a high school teacher might read to help frame their teaching of concepts about historical thinking.

**Instructional Strategies for 8th grade:** Find a tool that can help you determine what to consider when selecting primary sources for the classroom. What does it suggest that you consider when it comes to appropriateness?

**Assessment for 8th grade:** Print and attach or provide the URL to a rubric you might use to evaluate a student’s analysis of a primary source document.

**Project Resources:** List one electronic resource available from INFOhio that your students could use to find primary source documents and secondary sources related to those primary sources.
